Finn Rogers and the Heart of Elvelon Oct 10 2021
Fourteen-year-old Finn was born a healthy rez boy,

but after the disappearance of his father years ago, he contracted a harmful virus that damaged his heart and left him in need of a transplant. His time is running out. Prince Juno is from Elvelon, a mystical realm that hid its magical source, the Heart of Elvelon, on Earth among the Navete Indians centuries ago to shield it from the evils of Elvelon, deep in the region of Polithia. Juno has come to the Earthly Realm to warn the Navete Indians that Tempest, an evil time enchantress, and Nox, her mentor, is after the Heart. Finn and Juno's worlds collide when Tempest comes to Earth to steal the Heart and use its powers to search for her missing brother. When her plans go awry, she resorts to kidnapping, stealing, and whatever it takes to find him. Finn and Juno must travel to Elvelon to save their friends and find the Heart before it falls into the hands of Nox, ruler of Polithia. Can both hearts be restored before it's too late?

Multicultural Children's Literature Feb 02 2021

This book is designed to prepare K-12 preservice and inservice teachers to address the social, cultural, and critical issues of our times through the use of multicultural children's books. It will be used as a core textbook in courses on multicultural children's literature and as a supplement in courses on children's literature and social studies teaching methods. It can also be used as a supplement in courses on literacy, reading, language arts, and multicultural education.

Readicide Nov 11 2021 Read-i-cide n: The systematic killing of the love of reading, often exacerbated by the inane, mind-numbing practices found in schools. Reading is dying in our schools. Educators are

familiar with many of the factors that have contributed to the decline--poverty, second-language issues, and the ever-expanding choices of electronic entertainment. In this provocative new book, Kelly Gallagher suggests, however, that it is time to recognize a new and significant contributor to the death of reading: our schools. In *Readicide*, Kelly argues that American schools are actively (though unwittingly) furthering the decline of reading. Specifically, he contends that the standard instructional practices used in most schools are killing reading by: - valuing the development of test-takers over the development of lifelong readers; - mandating breadth over depth in instruction; - requiring students to read difficult texts without proper instructional support; - insisting that students focus solely on academic texts; - drowning great books with sticky notes, double-entry journals, and marginalia; - ignoring the importance of developing recreational reading; and - losing sight of authentic instruction in the shadow of political pressures. Kelly doesn't settle for only identifying the problems. *Readicide* provides teachers, literacy coaches, and administrators with specific steps to reverse the downward spiral in reading--steps that will help prevent the loss of another generation of readers.

The Adventures of Tom Sawyer Jun 18 2022 The classic adventure story of boyhood escapades on the shores of the Mississippi.

Reading Reconsidered Jan 13 2022 TEACH YOUR STUDENTS TO READ WITH PRECISION AND INSIGHT The world we are preparing our students to succeed in is one bound together by words and phrases. Our

students learn their literature, history, math, science, or art via a firm foundation of strong reading skills. When we teach students to read with precision, rigor, and insight, we are truly handing over the key to the kingdom. Of all the subjects we teach reading is first among equals. Grounded in advice from effective classrooms nationwide, enhanced with more than 40 video clips, *Reading Reconsidered* takes you into the trenches with actionable guidance from real-life educators and instructional champions. The authors address the anxiety-inducing world of Common Core State Standards, distilling from those standards four key ideas that help hone teaching practices both generally and in preparation for assessments. This 'Core of the Core' comprises the first half of the book and instructs educators on how to teach students to: read harder texts, 'closely read' texts rigorously and intentionally, read nonfiction more effectively, and write more effectively in direct response to texts. The second half of *Reading Reconsidered* reinforces these principles, coupling them with the 'fundamentals' of reading instruction—a host of techniques and subject specific tools to reconsider how teachers approach such essential topics as vocabulary, interactive reading, and student autonomy. *Reading Reconsidered* breaks an overly broad issue into clear, easy-to-implement approaches. Filled with practical tools, including: 44 video clips of exemplar teachers demonstrating the techniques and principles in their classrooms (note: for online access of this content, please visit my.teachlikeachampion.com) Recommended book lists Downloadable tips and templates on key

topics like reading nonfiction, vocabulary instruction, and literary terms and definitions. Reading Reconsidered provides the framework necessary for teachers to ensure that students forge futures as lifelong readers.

The Last of the Mohicans Nov 30 2020 (back cover)
When a naïve group of English settlers journeys through the untamed wilderness of 18th-century America, they quickly become victims of a hostile enemy attack. Their only hope of rescue lies with Hawkeye, an expert woodsman, and Uncas and Chingachgook, the last survivors of the Mohican tribe. James Fenimore Cooper's gripping tale is brought to life in graphic novel format. (front flap) The wild frontier of the British colony of New York is the scene of this spellbinding story. It is the time of the French and Indian War, and danger lurks everywhere. Two daughters of a British army officer set off on a hazardous journey through the wilderness, guided by a treacherous Huron Indian who turns out to be a part of a kidnapping plot. The young ladies are in deep peril. Will the efforts of the heroic woodsman Hawkeye and his Mohican companions Chingachgook and Uncas be enough to rescue them? (back flap) Graphic Classics available from Barron's Adventures of Huckleberry Finn * Dr. Jekyll and Mr. Hyde * Dracula * Frankenstein * Gulliver's Travels * Hamlet * The Hunchback of Notre Dame * Jane Eyre * Journey to the Center of the Earth * Julius Caesar * Kidnapped * The Last of the Mohicans * Macbeth * The Man in the Iron Mask * The Merchant of Venice * Moby Dick * The Odyssey * Oliver Twist * Romeo and Juliet * A Tale of Two Cities * The Three Musketeers * Treasure Island *

20,000 Leagues Under the Sea * Wuthering Heights
The Adventures of Huckleberry Finn May 17 2022 Mark Twain's *Adventures of Huckleberry Finn* is named among the Great American Novels, one of the first in major American literature to be written throughout in vernacular English, characterized by local color regionalism. It is told in the first person by Huckleberry "Huck" Finn, a friend of Tom Sawyer. It is a direct sequel to *The Adventures of Tom Sawyer*. The book is noted for its colorful description of people and places along the Mississippi River. Set in a Southern antebellum society that had ceased to exist over 20 years before the work was published, *Adventures of Huckleberry Finn* is an often scathing satire on entrenched attitudes, particularly racism. Perennially popular with readers, the novel has also been the continued object of study by literary critics since its publication. Throughout the 20th century, and despite arguments that the protagonist and the tenor of the book are anti-racist, criticism of the book continued due to both its perceived use of racial stereotypes and its frequent use of racial slurs. This edition features the original, uncensored text.

Finn Wolfhard Apr 16 2022 Meet Finn Wolfhard! In this engaging title, readers will follow Wolfhard's career from his debut television debut on *The 100*, his work on *Supernatural* to his smash hit *Stranger Things*. Teaching Gifted Children Jun 06 2021 From the pages of Teaching for High Potential, a quarterly publication of the National Association for Gifted Children, this collection of articles is sure to be of use to any educator of high-ability students. Topics included range from instructional methods across all content areas, including tips and tools for reading and vocabulary instruction, integrating STEM content, and engaging students in math, to identification, differentiation, and addressing gifted students' social-emotional needs. Articles also delve into current issues pertinent to the field of gifted education and this unique group of students, including underachievement and underrepresented minority populations, as well as new classroom strategies such as Makerspaces and teaching growth mindset. This resource can be used to enhance a classroom lesson, guide curriculum development, or supplement professional development. The featured articles are unique, well written for the audience, and selected by reviewers who

understand what teachers need.

Tripping Back Blue Aug 20 2022 Finn is a 17-year-old full of paradoxes. He's a drug dealer, but he's scoring money to send his twin sister to Harvard. He's desperate to shoot up even though he's the most popular kid in Dammertown. He's a philosopher and orator who's failing all his classes. The only time he finds peace is when he's bird-watching. Finn's life begins to spiral out of control, until he discovers a miracle drug called indigo. Finn is convinced that the drug is the way out of everything broken in his life. But is it really as magical as it seems?

Reading in the mobile era Dec 20 2019 Millions of people do not read for one reason: they do not have access to text. But mobile phones and cellular networks are transforming a scarce resource into an abundant one. Drawing on the analysis of over 4,000 surveys collected in seven developing countries and corresponding qualitative interviews, this report paints a detailed picture of who reads books and stories on mobile devices and why. The findings illuminate, for the first time, the habits, beliefs and profiles of mobile readers in developing countries. This information points to strategies to expand mobile reading and, by extension, the educational and socio-economic benefits associated with increased reading. Mobile technology can advance literacy and learning in underserved communities around the world. This report shows how.

Little Red Bat Jul 27 2020 Red bats can hibernate or migrate to warmer regions during the winter. Should this solitary little bat stay or should she go? That's the question the little red bat ponders

as the leaves fall and the nights get colder! The squirrel tells her to stay. But what about the dangerous creatures that hunt red bats in winter? The sparrow urges her to go. But where? Carole Gerber takes young readers on an educational journey through one bat's seasonal dilemma in *Little Red Bat*. The For Creative Minds educational section includes: Match the Bat Adaptation, Bat Fun Facts, How Animals Deal with Seasonal Changes, Red Bats and Seasonal Change, and Bat Life Cycle Sequencing Activity.

A Time Traveler's Theory of Relativity May 05 2021 Days before his thirteenth birthday, science-lover Finn learns that the women of his family are time travelers and he is expected to help locate his missing mother.

The Adventures of Huckleberry Finn Apr 04 2021 Mark Twain created one of America's best loved fictional characters in Huckleberry Finn. In his own words, Huck recounts his adventure as he and the slave, Jim two runaway raft down the Mississippi River. Uneducated superstitious and literal-minded, Huck experiences a moving growth of character as he journeys downriver and comes into contact with people from almost every social class. Huck may have his faults but in the end it is his virtues we remember his cheerfulness, tolerance unconscious humor, and common sense and Twain's ingenious attack on society.

A Different Kind of Hero Mar 15 2022 In 1881 twelve-year-old Renny, who resists his father's efforts to turn him into a rough, tough, brawling boy, earns the disapproval of the entire mining camp when he befriends a newly arrived Chinese boy.

Journey to the River Sea Nov 23 2022 An Amazon adventure set in the wilderness of Brazil, Journey to the River Sea is filled with mystery and memorable characters. It is 1910 and Maia, tragically orphaned at thirteen, has been sent from England to start a new life with distant relatives in Manaus, hundreds of miles up the Amazon. She is accompanied by an eccentric and mysterious governess who has secret reasons of her own for making the journey. Both soon discover an exotic world bursting with new experiences in Journey to the River Sea, Eva Ibbotson's highly colourful, joyous adventure. This 15th anniversary edition includes a forward by Lauren St John, author of The White Giraffe. Winner of the Smarties Gold Medal. Shortlisted for the Carnegie Medal and the Whitbread Award.

The Adventures of Huckleberry Finn Dec 24 2022 Running away seemed like a good idea at the time... The Widow Douglas is doing her best to civilize Huckleberry Finn, but it just isn't working. Wearing clean clothes, going to school, and having a hot meal waiting for him when he gets home are becoming boring and tedious. So, to make his life more interesting Huck, as he is normally called, decides to join Tom Sawyer's gang of outlaws. However, when they fail to be the vicious ransom specialists they claim to be, Huck decides to forget about excitement and tries to give his civilized life another go. He attends school and minds his own business... for a while. After his father turns up out of the blue and starts causing trouble, Huck decides he's had enough of normal life and sets sail on his raft for a secluded island. When he arrives he finds he's not the only one who has decided to live there. From

then on he encounters thieves, a flood that provides a nice surprise, con men, violent shootouts, family feuds and much more. After so much adventure, Huckleberry Finn ends up wishing he was back at home, tucked up in bed after a hot meal. But does this wish come true, or do his adventures continue?

Finn McCool and the Great Fish Sep 09 2021 Finn McCool is the largest giant in all of Ireland. He's a fierce warrior, even beating the giant Culcullan and saving Ireland from the Scots. Helpful and kind, he helps the farmers bring in the hay. And everyone in the village of Drumnahoon admires him. "He's the best-hearted man that ever walked on Ireland's green grass." But for all his strength, courage, and goodness, there's one thing that Finn lacks. He's just not smart. And he knows it. When a wise man living in a nearby village tells Finn about a magical red salmon with the wisdom of the world, Finn sets out to catch the fish. And he learns a thing or two about himself in the process. An author of more than 250 children's books, Eve Bunting has won numerous awards and honors, including a Pen International Special Achievement award for her contribution to Children's Literature. In 2002 she was chosen to be Irish American Woman of the Year by the Irish American Heritage Committee of New York. She lives in Pasadena, California. Zachary Pullen's picture-book illustrations have won awards and garnered starred reviews. He has been honored several times with acceptance into the prestigious Society of Illustrators juried shows and Communication Arts Illustration Annual of the best in current illustration. Zak lives in Wyoming.

Once Upon a Northern Night May 25 2020 Synopsis

coming soon.....

The Adventures of Huckleberry Finn Jan 25 2023

Huckleberry Finn has just been adopted by the Widow Douglass and her sister, and both are committed to changing Huck's "uncivilized" ways. Clean clothes, good manners, and steady church and school attendance are more than Huck can take. But when he is kidnapped by his drunken father, Huck's return to life without rules doesn't seem much better. He escapes and meets Jim, a runaway slave, and together the two travel the Mississippi River on a raft, heading toward Jim's freedom. This unabridged version of Mark Twain's classic American tale—a follow-up to *The Adventures of Tom Sawyer*—is taken from the 1885 copyright edition and includes original illustrations by Edward W. Kemble.

I Have No Secrets Feb 14 2022 Jemma knows who the murderer is. She knows because he told her. An intense young adult suspense book! He thought his secret was safe because Jemma can't speak or move. But Jemma observes all kinds of things about everyone around her. His secret is just one of them. And when a new technology means she may be able to communicate and reveal all she knows, Jemma no longer feels powerless in the face of this deadly secret. It's a race against time before the killer acts again...or tries to stop her. Perfect for those looking for: Teen books for girls ages 11–14
Psychological thrillers
Mystery books for teens

whale songs to Mum and baby Finn, far, far away across the huge ocean. When Finn gets lost, can the other sea creatures help him to send a message of his own?

Finn and the Magic Goat Mar 27 2023 Finn is at Sligo Fair to sell his two goats. He sells his billy goat quickly, but no one wants to buy old Nanny. That night, Finn hears two thieves plotting to steal his money. He has no idea what to do, until Nanny comes up with a cunning plan.

Journey to the River Sea: Illustrated Edition Oct

22 2022 A gorgeous 20th anniversary hardback jacketed gift edition of Eva Ibbotson's award-winning, bestselling classic adventure. Fully illustrated in colour throughout by Katie Hickey.

'The most perfect children's book . . . captivately told, funny and moving' – Nicolette Jones, Sunday Times A joyous Amazon adventure set in the lush nature of Brazil, Journey to the River Sea is filled with mystery and extraordinary characters. It's perfect for girls and boys of 9+. Maia, an orphan, can't wait to reach her distant relatives a thousand miles up the Amazon. She imagines a loving family with whom she will share great adventures. Instead she finds two spiteful cousins who see the jungle as the enemy and refuse to go outdoors. But the wonders of the rainforest more than make up for the hideous twins and their parents. And when Maia meets a mysterious boy who lives alone on the wild river shores, she begins a spectacular journey to the heart of an extraordinary and beautiful new world. Winner of the Smarties Gold Medal. Shortlisted for the Carnegie Medal and the Whitbread Award (now the Costa).

Literacy in America Jun 25 2020

Something, Maybe Feb 20 2020 I wonder what it would be like to do high school things. To go out on the weekends. To kiss a guy. To have a normal life. A real one. Everyone thinks their parents are embarrassing, but Hannah knows she's got them all beat. Her dad made a fortune showcasing photos of pretty girls and his party lifestyle all over the Internet, and her mom was once one of her dad's girlfriends and is now the star of her own website. After getting the wrong kind of attention for way too long, Hannah has mastered the art of staying under the radar...and that's just how she likes it. Of course, that doesn't help her get noticed by her crush. Hannah's sure that gorgeous, sensitive Josh is her soul mate. But trying to get him to notice her; wondering why she suddenly can't stop thinking about another guy, Finn; and dealing with her parents make Hannah feel like she's going crazy. Yet she's determined to make things work out the way she wants -- only what she wants may not be what she needs.... Once again, Elizabeth Scott has created a world so painfully funny and a cast of characters so heartbreakingly real that you'll love being a part of it from unexpected start to triumphant finish.
